

## About Me:

I am a creative professional who specializes in visual storytelling. My passion is to capture and create beautiful and compelling stories. I love collaborating with and managing other creatives, utilizing my leadership experience and communication skills to make the highest quality product. The best part of my job is bringing out the emotion within the moment. I am a detail oriented problem solver who thrives under pressure.

## WORK EXPERIENCE

### FREELANCE FILMMAKER / MOTION DESIGNER

*Colorado Filmmaker / Denver / 2018 - Present*

Filming and editing content for brands, non-profits, and corporate communications.

- Design and bid pitch decks to clients
- Storyboarding video shoots
- Edit story, sound, and color grade
- Design and create on-brand engaging motion graphics

### VIDEO & CREATIVE MANAGER

*Cheetah Digital / Denver / 2021 - 2022*

Working directly with brand designers and producers to plan, film and create on-brand video and graphic content.

- Storyboarding out video shoots
- Filming content
- Editing short and long form videos
- Color grading
- Design and create engaging motion graphics
- Managing and organizing video assets

### DIRECTOR OF POST PRODUCTION

*Oswego Creative / Lakewood / 2008 - 2021*

As the Director of Post Production I work closely with producers, management and editors to schedule and deliver videos to our clients on time as well as on budget.

- Schedule all projects for post production
- Manage team of editors
- Edit story and B-Roll
- Color grading
- Sound design
- Create motion graphics
- Maintain integrity of server and backup data
